Your students will finally ask for more exercises!

Turn your lessons into video games

All subjects, all grade levels!

1

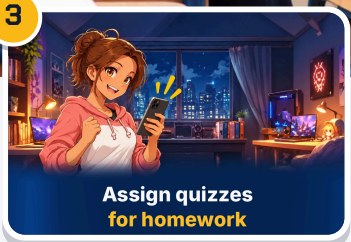

Create educational content in minutes

2

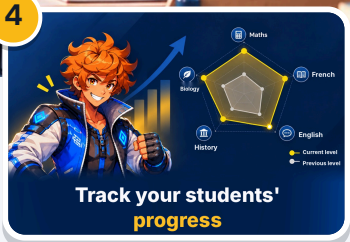

Engage your class without phones or tablets

3

Assign quizzes for homework

4

Track your students' progress

*"The tool is incredibly easy to use. I spend only **5 to 10** minutes per lesson on it, and the results are amazing!"*

Mélanie F.
Biology Teacher

*"Before Actoon, barely half my students participated. Now, it's easily **80%** of the class!"*

Fabian M.
History & Geography Teacher

- **Capture their attention** through immersive worlds
- **Instant feedback** consistent and animated
- **Make mistakes feel safe** so students try again
- **Reinforce learning** while having fun

Bring your classroom to life with Actoon in just a few clicks!
